About myself	Proactive, trustworthy, and highly adaptable nanny with 6 years of experience providing exceptional childcare and family support to busy households. I specialise in fostering child development through creative, educational activities while ensuring a nurturing, safe environment. Skilled in managing daily routines, planning activities, and helping children exceed academic goals through private tutoring, with a proven track record of improving school performance. Passionate about delivering high-quality care with discretion, adaptability, and attention to detail, I am seeking a challenging full-time nanny or governess position to contribute meaningfully to a family's dynamic and overall well-being.

Education

- 2024	Bachelor of Science in Economics (2:1), Keele University,
- 2024	Child care, safeguarding and child development, level 2 and 3, CPD accredited Diploma,
- 2017	Level 2 Social care with a special focus on children,
	English literature, History and Sociology, GCE A levels,

Working experience

June 2024 - till now

Nanny, UK, London

My role includes

- G8 G10 B1
- Led daily reading sessions with a variety of colorful, interactive books, stimulating the child's cognitive growth. Focused on building vocabulary by pointing to and naming objects, repeating words, and reinforcing simple phrases in context. Facilitated early learning activities such as shape-sorting games, puzzle-solving, and object identification to enhance memory, attention span, and basic concept recognition (e.g., colors, shapes, numbers). Encouraged the child to use verbal communication by responding to their babbling, modeling simple words, and reinforcing new vocabulary with repetition. Consistently provided a language-rich environment through song, rhyme, and conversation, helping to expand their vocabulary and comprehension. Sang nursery rhymes and repetitive songs to promote auditory recognition, word association, and rhythm, boosting language development and engagement.
- Actively participated in crawling races, encouraging the child to improve their motor coordination and physical strength. This activity promoted the development of core strength, balance, and fine motor skills essential for early movement milestones like walking. Organised and led physical play, including crawling, rolling, and simple climbing activities, to support the child's muscle development and coordination.: Crawled alongside the child during race activities, modeling movements and encouraging them to move faster, which supported both physical growth and social-emotional bonding. Facilitated outdoor playtime, promoting walking, climbing, and exploring new environments safely. This encouraged the child's independence and confidence in physical exploration.
- Supervised daily routines, including meal preparation, homework support, and bedtime schedules, ensuring consistency and structure in a busy household.
- Developed a morning routine checklist to keep the children on track, demonstrating excellent organisational skills.
- Promoted positive behaviour and resolved sibling conflicts effectively through creative solutions
- Introduced a reward system to encourage teamwork and reduce conflicts, highlighting emotional intelligence and problem-solving abilities.

2022 - 2024

Ad-hoc Nanny

London

My role includes

- Provided flexible, on-demand childcare, including emergency cover for parents.
- Offered consistent three-day-a-week support for a family with a B2 (two-year-old boy), ensuring a structured routine, meal preparation, and engaging developmental activities.

June 2021 - September 2022

Private family in London

Nanny

My role includes

- G3 & G5
- Designed tailored learning activities to support the infant's speech and motor skill development, such as interactive storytelling and hands-on games
- Encouraged structured independence by teaching the older child how to plan their schoolwork and activities, improving their ability to manage tasks effectively.
- Planned engaging weekend activities such as museum visits, arts and crafts projects, and group playdates to foster curiosity and social skills.
- Collaborated with parents to align on the children's routines and progress, ensuring consistency in expectations and development goals.

2019 - 2021

Private families

**Afterschool&weekend
nanny**

My role includes

- I worked with different local families to do after school nanny and weekend work
- Collected children from school and ensure a safe journey home.
 - Assisted with homework, reading, and school projects.
 - Prepared healthy snacks and light meals.
 - Organized fun and educational activities to support development.
 - Supervised playtime and outdoor activities.
 - Maintained a structured evening routine, including bath and bedtime preparation.
 - Communicated with parents regarding daily activities and any concerns.
