About myself	<p>I am a passionate and dedicated English teaching governor for kids. With a strong background in education and a deep love for teaching, I have successfully created a nurturing and engaging environment for young learners to thrive. Having completed my degrees in Education and Psychology, I have honed my skills in lesson planning, curriculum development, and classroom management. I believe in tailoring my teaching strategies to meet the needs and interests of a child, ensuring that he/she feels motivated and enthusiastic about learning English.</p> <p>In my role as an English teaching governor, I have had the opportunity to work closely with children from diverse backgrounds and varying proficiency levels. I understand the importance of creating a warm and inclusive environment that allows all kids to feel comfortable and confident in their language learning journey. My teaching style incorporates interactive activities, games, and multimedia resources to engage children in the learning process. I utilize creative approaches to make English lessons fun, interesting, and relevant to their lives. Through storytelling, role-plays, and group discussions, I encourage students to develop their speaking, listening, reading, and writing skills.</p> <p>In essence, my goal as an English teaching governor for kids is to inspire and empower young learners to become confident, fluent, and enthusiastic English speakers. I provide them with a solid foundation in the language, while instilling a lifelong love for learning. It is my genuine belief that every child has the potential to excel in English, and I am committed to guiding them on their educational journey.</p>

## Education

2020 - 2023	Linguistics Theory and Methodology of Teaching of Foreign languages and Cultures, Moscow State Linguistic University, Russian Federation, Moscow
2016 - 2020	Psychology, SUNY Purchase, NY City

## Working experience

<b>March 2024 - till now</b>	
<b>Private family in Zarechie</b>	
<b>Tutor/Teacher to 2 children: 5 years old Girl and 9 years old Girl</b>	
My role includes	– Girl 5. My primary duties include creating fun and interactive lessons that cater to

her age and language proficiency level. I incorporate games, songs, and picture books to make learning enjoyable and engaging for her.

- I focus on teaching her basic vocabulary, greetings, and simple sentence structures. I use flashcards and visual aids to reinforce the lessons and help her retain the new language.
- She obviously became more confident in speaking and understanding English. Her vocabulary expanded, and she is able to form simple sentences on her own. She also shows improvement in her listening skills and can follow simple instructions in English.
- Girl 9. My primary duties involve helping her improve her English language skills, with a particular focus on enhancing her speaking abilities. This includes engaging her in conversation, helping her build her vocabulary, correcting pronunciation errors, and providing feedback on her speaking skills.
- I also assist her with her school program. She attends Primakov School, they study English through "Power Up" and "Go Getter". Since we started the lessons she was transferred from the Group F to the Group C which shows a huge progress!

**April 2024 - till now**

**Private family in Ilyinka**

**Tutor/Teacher to one child: 10 years old Boy, Russian Federation, Moscow**

Employed by English Nanny agency

My role includes

- My main duties involve creating engaging and interactive lessons to help improve the student's language skills. I structure lessons around various language concepts such as grammar, vocabulary, reading comprehension, writing, and pronunciation.
- I conduct regular assessments to track his progress and identify areas that needed improvement. In addition, I focus on developing his conversational skills by engaging him in daily conversations and discussions on different topics.
- Also I am helping the student with his school programme ( books: Academy Stars, Give Me Five). Since we started the lessons his skills improved so the student was transferred from the group F to the group B.

**November 2023 - November 2024**

**Private Family in Maloe Sareevo**

**Governor to one child: 4 years old Boy**

Employed by English Nanny agency

My role includes

- Teaching English language skills in a fun and engaging way, tailored to the child's age and abilities
- Planning educational outings to museums, exhibitions, galleries, and other cultural venues to expose the child to enriching experiences and foster a love of learning
- Communicating regularly with the child's parents to update them on his progress and discuss strategies for continued learning and development
- Structured schedule that includes activities such as reading, writing, and language development exercises. I taught sounds and letters using Jolly Phonics programme, the student learnt maths and science using worksheets.
- The result for a child under my care was a well-rounded education in the English language, the student boosted his speaking, reading and writing skills. Through my

	mentorship, the child developed critical thinking skills, creativity, and confidence in expressing himself effectively in English.
--	--

Reason for leaving	End of contract (1 year), the student entered a new school on full-time basis
--------------------	---

--------------------	--

## August 2020 - February 2021

### Private family in Moscow

#### English tutor to one child: 4 yearsold Boy, Russian Federation, Moscow

##### My role includes

- During my time working as an English governor for two four-year-old twins, I had an enriching and rewarding experience.
- I created a playful environment to encourage language acquisition. We engaged in role-play activities that stimulated their imagination and encouraged the use of English phrases and expressions.
- To improve their pronunciation, we utilized multimedia platforms, such as songs and videos, to immerse them in the sounds of the language.
- To reinforce their learning, I incorporated educational games that involved identifying objects, matching words with pictures, and solving puzzles.
- Through a combination of interactive activities, imaginative play, and tailored lessons, I could witness their language skills flourish.

##### Reason for leaving

The family moved to Monaco

## January - May 2019

### Russian private school «Nadezhda»

#### Chinese teacher, 11-12 years old children, USA, New York

##### My role includes

- Prepared and curated personalised lesson plans for students in fifth and sixth grade.
- Assessed and monitored student performance.
- Organized classroom lectures and coursework.
- Created a fun learning environment that engages students and encouraged them to use more Chinese than Russian and English.
